

## Client Payment Terms:

### Work Completion & Payment Schedule

The payment can be done in three installments.

1. 50% Deposit required on all web site packages payable when we receive your work order (up front). Deposit can be made via bank transfer or check. Please contact [Benny@macronimous.com](mailto:Benny@macronimous.com) for the bank details.
2. Most web sites are completed in 1 to 3 weeks, respectively so the second payment would be the 25%, which can be made during the first 3-5 days of the second phase.
4. The final payment (remaining 25%) has to be released when the site development is over. There can be changes even after this phase, as we work till our client's satisfaction, we do minor changes for no extra charges for the first month.
